Circular

Dear Parents,

We are delighted to inform you that the sports trials for football, cricket, chess, carom, karate, and badminton for the school team have been successfully conducted during school hours.

Due to the overwhelming response and enthusiasm shown by our students, we have decided to organize trials for the remaining individual and group games. The exact schedule for these trials will be communicated to you shortly. To accommodate the participation of all interested students, these trials will be conducted either before or after school hours.

We appreciate the keen interest shown by our students in sports and look forward to their continued participation.

Thank you for your continued support.

Sincerely,

RKLGIS
