Subject: New Initiative: Daily Learning Outcome Notebook

Dear Parents,

We are excited to announce a new initiative aimed at enhancing our students' learning experience and promoting self-awareness. Starting immediately, each student will be required to maintain a separate notebook titled "Daily Learning Outcome."

In this notebook, your child will record their daily learnings from various subjects. This initiative will encourage them to take ownership of their education, become more responsible for their progress, and develop a deeper understanding of their learning journey.

We kindly request that you support and motivate your child at home to complete their Daily Learning Outcome notebook consistently. Please refrain from judging their sentence formation or grammar. The primary goal is to foster their creativity and self-expression.

Your signature in the notebook will serve as a token of your acknowledgment and support for your child's efforts.

Thank you for your continued cooperation and support

Regards
RKLGIS
