Subject: Revised School Timings Due to Extreme Heat

Dear Parents,

Due to extreme temperatures and the risk of sunstroke, and prioritizing the safety and well-being of our students, the school timings for RKL Galaxy International School will be temporarily revised.

**The new school timings will be 8:25 AM to 12:45 PM, effective from tomorrow, April 11, 2025 for grade 1 to 10.**

**Note: Due to extreme heat, students can wear House Uniform / Sports Uniform.**

We request all parents to kindly note these revised timings and make necessary arrangements accordingly.

### Cooperation with Transport Vendors:

We understand that this change in timings will require adjustments to the schedules of our transport vendors. We urge you to cooperate with them as there may be changes in pick-up and drop-off times. Please be aware that it may take a couple of days for the transport vendors to fully adjust to the new schedule. Your patience and understanding during this transition are highly appreciated.

The school administration is also in communication with the transport vendors to ensure a smooth transition.

We appreciate your understanding and cooperation as we work together to ensure the safety and well-being of our students<sup>1</sup> during this period of extreme heat, in accordance with the government directives.

Any further updates will be communicated to you promptly.

Regards,

**RKL Galaxy International School**
