Notice No.17/AY25-26

Date- 5th November 2025

Participation in Robotics Culmination – 8th & 9th November 2025

“Innovate, Create, and Lead the Future with Robotics!”

Dear Parents,

We are delighted to invite you to experience our young warriors showcasing their innovative robotics skills at the Robotics Culmination 2025-26, scheduled on 8th November 2025 & 9th November 2025. The Slots for the same are given in Almanac & shared via, Prism & Telegram as well.

The required study material has been provided to the students. Kindly ensure that your ward is well-prepared for the presentation. The project details assigned to each student are attached with this notice. We request you to encourage your child to practice regularly at home for the best performance.

Important Note

- Students must be present strictly according to their allotted slot and reporting time for the presentation.
- Attendance is compulsory.
- Students reporting in any other slot will not be permitted to present their project.
- All students are expected to come in complete school uniform with Blazer also.
- Parents are requested to use public transport.
- Transport will not be available on the day of culmination.

All necessary instructions and guidelines have already been explained to the students.

For any further queries, please contact us at Roboticsrkl@gmail.com

Thank you for your continued support and cooperation.

Warm regards,

Robotics Department
