*“Consistency in learning builds the foundation for lifelong success.”*

## **Early Leaving During School Hours**

**Dear Parents,**  
Greetings from RKLGIS!

This is to inform you that **no student will be permitted to leave the school premises during school hours** as it disrupts the teaching-learning process and affects academic progress.

**Only medical emergencies** will be considered for early leave.

We seek your kind cooperation and support in ensuring the **better growth and consistent learning** of our students.

Warm regards,  
**RKL Galaxy International School**
